Panel Features

## The Industry Leader in Innovative Door Safety, Durability, and Efficiency

### Tongue & Groove Section Joints **1**

Precisely designed thermally broken section joints reduce air infiltration and create weather tight seal.

### Sandwich Construction **2**

3-layer steel front and back construction with insulating polystyrene core increases energy savings.

### Panel Embossment **3**

Easy to clean woodgrain texture, galvanized and finish painted steel provide years of trouble-free performance and beauty.

### Aluminum Retainer **4**

Hörmann minimizes floor corrosion by utilizing an aluminum bottom seal retainer that never rusts and is more durable than brittle plastic retainers.

### Bottom Weather Seal **5**

Keeps out wind, rain, debris and other elements for added energy savings.
